

SPONSORSHIP OPPORTUNITIES

Leave a legacy in Paces history by sponsoring an area of our new home.

Whether you name one of our classrooms or our music room, we are ready to welcome you on our journey.

Classrooms £5,000 each

These rooms are more than just a classroom! Alongside providing a curriculum, here we will deliver our Conductive Education programme for our children. This supports with laying, sitting, standing, walking, eating and self-care. This is a space where they can develop friendships, have fun and feel like they belong.

- **Warwick** - Early Years age 3-5 years
- **Hardwick** - Key Stage One and Two – Age 5-9 years
- **Durham** - Key Stage One and Two – Age 6-9 years
- **Balmoral** - Key Stage Two and Three – Age 9-12 years
- **SOLD!** **Wentworth** - Key Stage Two and Three – Age 9-12 years
- **SOLD!** **Windsor** - Key Stage Three and Four – Age 12-18 years

The new home will also allow us to add two new classrooms which will allow us to support even more children. They are as yet un-named.

Reception Area £7,500

This is the heart of Paces School and it really has the 'Wow Factor' when you walk in. This is the grand entrance where our children, families and visitors will be welcomed into the school.

Outreach Classroom £5,000

This is where we support our children age 0-4 years who are experiencing delays in their development. Our Conductive Education programme is focussed around play to promote physical skills and increased independence.

Games and Music Room £5,000

Here, our children will explore different ways to create music. For example, through storytelling, group work and movement, all in a relaxed and safe environment. Using instruments and playing games will also aid development of gross and fine motor skills, hand-eye co-ordination...as well as being lots of fun!

Playground £10,000

This is an outdoor space where our children can play, learn and develop while having lots of fun!

SOLD!

Sensory Room £10,000

Children explore the world with their senses. Our Sensory Room is a state of the art space where our children will learn, develop and have fun! The concept of Sensory Play is now recognised as one of the most important methods of educating all children from a very early age, playing a crucial part in their development.

Life Skills Kitchen £7,500

This is where our children will learn independent living skills such as planning and designing their own meals, preparing and cooking food, being able to socially enjoy a meal, planning coffee mornings, washing their clothes and much more.

SOLD!

Adult Life Skills Room £5,000

In this space we promote independence, allowing our adults to focus on their daily living skills such as planning their own meals, shopping and cooking their own meals. Each programme is specifically designed to meet each individual's own needs.

SOLD!

Young Adults / Adult Sessional Space £5,000

This is where we will support our younger adults who are transitioning from child-based services into adult services. We focus on supporting with life skills, finances, transitioning to college, relationships and more. Here we will also let our learners choose age-appropriate activities with their peers, as well as having fun!

SOLD!

Conductive Education Room £3,000

Here is where we will do the daily Conductive Education tasks which focus on supporting and strengthening our adults. We will also deliver our 'Adult Sessional Programme' in this area where we re-teach skills such as sitting, standing and walking to people who are living with the effects of a Stroke, MS, Parkinson's and brain injury.

SOLD!

SMITHY WOOD

In return for your sponsorship, as a thank you, you will receive a specially designed plaque next to your chosen room.

Your donation is helping us to provide a brighter future for the children and adults who we support and we are so incredibly grateful.
